

MIGRATE TO AWS WITH REAL FINANCIAL SUPPORT

THE AWS IW MIGRATE PROGRAM CO-INVESTS WITH YOU TO REDUCE THE COST OF LEAVING COMPETING PLATFORMS. XALDIGITAL MANAGES THE ENTIRE PROCESS — YOU FOCUS ON THE BUSINESS.

What you receive

25%

of your ARR in AWS
Credits applied directly to your account

\$24K—\$500K

Eligible ARR (annual)

+10%

Extra on migrations
from OpenAI

COMPETITIVE PRICING

Thanks to AWS's
backing of XalDigital

WHAT DO YOU GET?

"Double-bubble" reduction

AWS co-funds the period where you pay both the previous platform and AWS in parallel. Less financial risk to get started.

Migration with Methodology

XalDigital executes the migration with proven methodology: Assessment → Migrate → Optimize. In weeks, not months.

Enterprise architecture from day 1

Security, FinOps, resilience, and observability included. No hidden technical debt.

Accelerated delivery

Scope, deliverables, and costs defined before we start. You approve, we execute.

QUICK ELIGIBILITY

Origin	On-premise · Colo · Azure · GCP · OpenAI · Gemini
Min. ARR	\$24,000 USD annually on AWS
Partner	elect Tier or higher (XalDigital = Premier ✓)
Incentive	Credits + Cash, or either one
Approval	No AWS SA required for XalDigital's SoW

IDEAL USE CASES

IA · LLMs

OpenAI → Amazon Bedrock

Migrate LLMs and agents.
Up to 25% ARR in credits
+greater control and pricing.

DATABASE

On-prem → RDS / Aurora

Relational databases to the cloud.
High availability without
managing servers.

ANALYTICS

Colo → Data Platform

S3 + Glue + Redshift.
Modern lakehouse with
real-time analytics.

INFRASTRUCTURE

VMs → EKS / Fargate

Moderniza workloads
monolíticos a contenedores con
auto-scaling nativo.

HOW WE DO IT?

1

MIGRATION READINESS ASSESSMENT (MRA)

We identify workloads, risks, and the potential for credits / cash.
No upfront cost.

2

SOW & FUND REQUEST

We prepare the Statement of Work and manage approval in AWS Partner Portal (APFP).

3

MIGRATION & CUTOVER

We execute the migration with minimal disruption.
Credits are applied in two tranches.

4

OPERATIONS & OPTIMIZATION (MSP)

Post-migration: FinOps, monitoring, support, and continuous improvement with XalDigital Managed Services.

Does your workload qualify? Find out in 30 minutes

Free migration opportunity session · No commitments · Credit estimate included
