

Empowering Data

XALDIGITAL

Turning AI, Cloud and Data into Business Impact

WHAT MAKES US UNIQUE?

AWS PREMIER PARTNER

Highest level of partnership with Amazon Web Services

RISING STAR 2021 & 2022

AWS recognition for growth and innovation

200+ CERTIFICATIONS

Multidisciplinary team certified in AWS

REGIONAL PRESENCE

Mexico · Colombia · Central America

OUR OBJECTIVE

To turn every challenge into an opportunity by leveraging cutting-edge technology to deliver impactful business results.

CUTTING-EDGE TECHNOLOGY

We implement next-generation tools such as IoT, Generative Artificial Intelligence, and Machine Learning.

TAILORED SOLUTIONS

Each project is customized to meet the specific needs and objectives of our clients.

DATA-DRIVEN DECISIONS

We help companies transform data into actionable strategies through Data Analytics.

CONTINUOUS SUPPORT

We ensure the operability and scalability of the implemented solutions.

CONSULTING PARTNER OF THE YEAR 2026

Recognized by AWS as **“Consulting Partner of the Year 2026,”** an achievement that reflects our commitment to digital transformation through cloud, data, artificial intelligence, and automation solutions.

This recognition strengthens our mission to continue **building the future together with our customers, partners, and collaborators.** 🚀

GROWTH & EXPANSION

We have completed more than **300 projects**, working with over **55 clients** across **25+ countries**.

Our team of **150+ XalXperts** consists of highly skilled professionals with experience across multiple industries, enabling us to deliver efficient and customized solutions.

NUESTRAS LÍNEAS DE SERVICIO

IoT (Internet de las Cosas)

Optimize your operations with data from your assets.

Journey to Cloud

We manage the full migration of your systems to the cloud, ensuring a smooth and efficient transition.

AI & Data Science

We boost your business with AI and Data Science solutions, turning data into strategic decisions to accelerate growth and innovation.

Data Analytics

We modernize and unify data management to turn it into a strategic asset.

Data Governance

Organized data is key for accurate decision-making. We help optimize your data governance.

Customer Experience

We develop solutions that simplify internal processes and enhance customer integration.

Managed Services

We ensure your critical infrastructure and processes are always up and running.

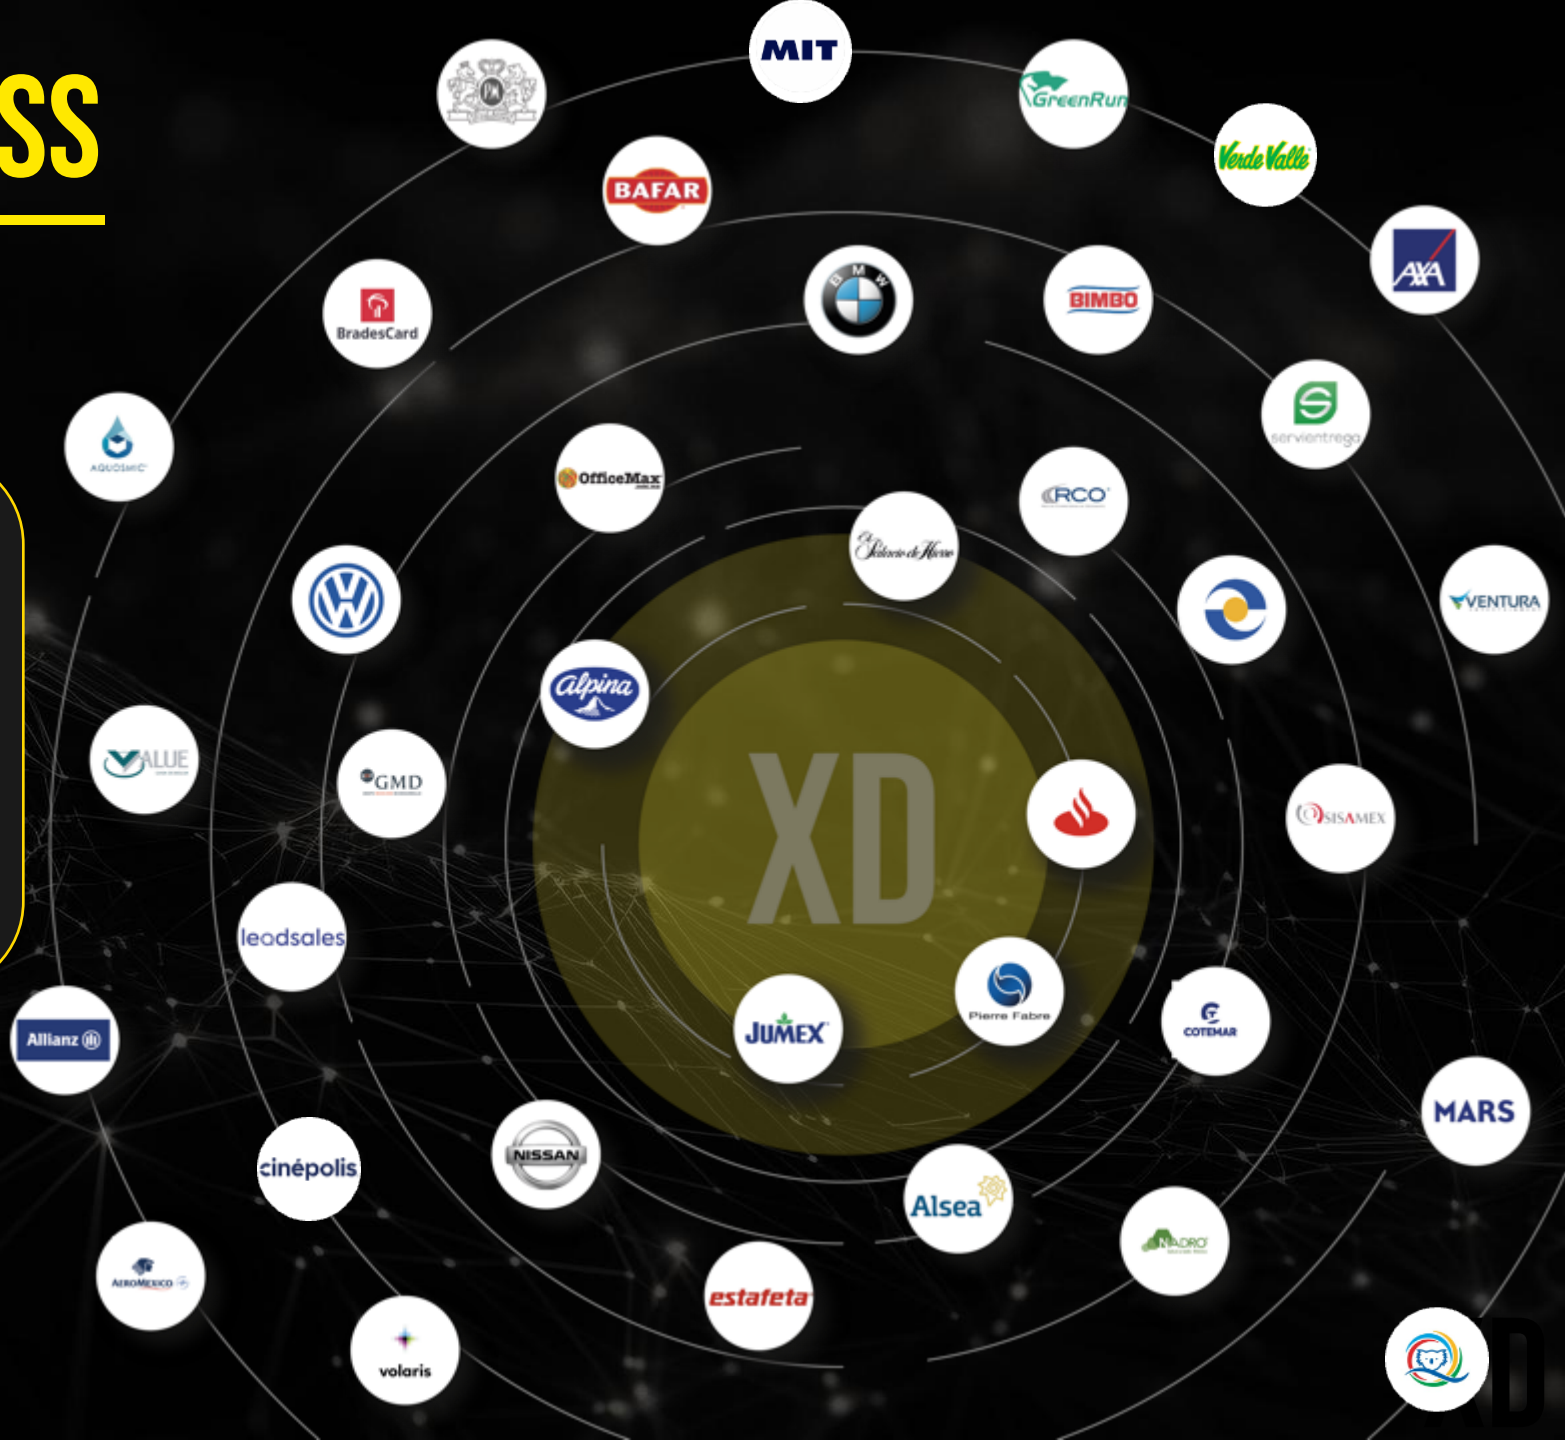

NUESTRO VIAJE

PARTNERS IN SUCCESS

We are partners to our clients in their digital transformation journey.

We focus on generating, consolidating, and analyzing data to enable better decision-making, delivering value to our partners regardless of the industry.

OUR ALLIANCES

XALDIGITAL

We believe **strategic alliances** are key to driving innovation and delivering value to our clients.

Through these partnerships, we expand our capabilities, integrate best-in-class technologies, and build a strong ecosystem that ensures successful, high-impact digital transformation projects.

SOME OF OUR **SUCCESS STORIES**

Innovating at Sealand with Artificial Intelligence

We transformed the aquarium experience with an AI-powered app, enabling users to recognize and learn about marine species, enhancing both education and interaction.

Transformation Towards a Data-Driven Organization for Grupo Aeroméxico

This project focused on a data migration strategy designed to optimize processes and improve decision-making.

Revolutionizing Business Intelligence at El Palacio de Hierro

We carried out a full modernization of the BI system, centralizing data in the cloud to enhance data management and security.

Revolutionizing Industrial Baking with Digital Innovation

We implemented a custom IoT solution, transforming global production management through real-time monitoring and advanced analytics to accelerate decision-making and optimize costs.

TAKE THE NEXT STEP WITH **XALDIGITAL**

At **XalDigital**, we are ready to guide you through every step of your digital transformation journey. Together, we can explore new opportunities, overcome challenges, and achieve your business goals.
